

SOCCER IN THE PARK

WEDNESDAYS 6:00-7:30PM
JUNE 28 – AUGUST 16
Pioneer Park, Brownsville

What Is It? A community-oriented event to bring kids of all ages (K-12) in the Central Linn community together to work on development of fundamental soccer skills and team communication. ***Our foremost goal is to have fun***, and make this an absolutely inclusive activity for all ages and experiences. We will utilize a mix of teaching drills and small-sided scrimmages. If your child has never played soccer before, this would be a great time to come check out some of the local opportunities, and to meet some of the coaches and volunteers!

Cost: Free. This event is for all-comers, attend as little or as frequently as you'd like throughout the summer.

Equipment: Shin guards are required and soccer cleats are desirable. Some loaner shin guards will be on hand. Please provide water and a ball if possible for your child.

Parents will be required to check in and check out their children, and have a designated guardian present at all times. We are also looking for high schoolers to serve as "field bosses;" if interested please contact soccer@clrasports.org.
